General: \*Turns to them\* Ah finally, took long enough! ...You look like if it's not your first time participating in a battle together.

Bryan: I participated in street fights with them that were 10 x worse than any battle.

Nash: ... Says the kid who kept breastfeeding till he was 8 years old

Bryan: \*Grabs Nash's sleeve\* Excuse me, Trash? I think I heard some bullshit... Was it you?

Nash: Keep your hands for yourself if you still want them.

General: \*silently watching them while smoking a cigarette\*

Jackor: \*sweating while smiling awkwardly\* ... Um.. Uhh.. I need a moment with them, if you don't mind! Sir!

General: ... Your platoon's captain will give you the mission briefing... He's waiting for you at the communication tower... Dismissed \*Swings hand in go\*

Nash: Meh... \*Follows him after Bryan\*

**[While walking in the open, Bryan glances at the other soldiers who were training furiously...]**

Bryan: Guys, you seeing that? \*Stands still as he stares at a girl\*

**[a girl was hardly doing pushups as a man was standing in front of her and looking down at her]**

Him: \*Holding a stopwatch\* ... Too slow, restart again!

Jackor: \*Taps the man's shoulder\* ... Excuse me sir

The man: \*Turns to him\* .. What!

Jackor: Don't you see you're a bit harsh on her? She needs to rest...

The man: I don't remember you.

Jackor: Am Jackor... Lieutenant Jackor Inaho Seventhen...

The man: Alright listen here, Jack... \*Whispers in his ear\* Stay away if you value your health!

Jackor: You threatening me?

The man: Tsk... \*Pushes him\* Get the fuck away from here, kid!

Jackor: Whoa!.. Damn what a tough dickhead you are...

The man: \*Throws the stopwatch away then takes off his vest\* Now you're dead! I will give you one last chance to run...

Jackor: Just shut your fat ass and show me what you got! \*Possess for defense\*

**[Near soldiers gather around them to watch]**

The man: \*Rushes at Jack and tightens his palm to punch him\*

The girl: \*Steps in the middle\* Hey hey! Easy there ya two... \*Pushes them away from each other\*

Jackor: \*Steps away while looking at the man as he frowns\*

The man: Afraid of something, kid? \*Rushes at him again\*

**[Other soldiers join in and try to stop the man]**

Jack: \*is standing still\*

Bryan: \*Goes near him\* ... And that's why I wanted to accompany you!

Jack: WHA- \*turns to him\* That's not a suitable time for this...

The man: \*is ranting at them\*

Bryan: Um.. We should go

Jack: Yeah... Yeah good idea, I agree

**[Both of them walk to the communications tower...]**

---

Nash: \*is talking with someone whilst standing on the doorstep\*

Bryan: \*Arrives with Jack\*

Captain: \*Turns to them\* ... Hello there

Jack: Hi...

Nash: Jack, the guy you picked a fight with was the...

Jackor: I.. Don't really want to know! ... SO! \*Looks to the captain\* you the captain?

Captain: What do you think, lieutenant?

Jackor: \*Offers a handshake\* Glad to meet you! Jackor Inaho Seventhen at your service, sir! \*Smiles slightly\*

Captain: \*handshakes him\* Aisaka Ryuuji Shio... And you must be Bryan!

Bryan: You got it right, Sir! \*Handshakes him\* Corporal Bryan Kaizuka Rentaro, ready and prepared! Sir! \*Smiles\*

Aisaka: I like your spirit... Now you three, take these \*Gives a folder to each one of them\*

Each of you got different objectives from the other.. so each will need a standalone tactical plans for himself! Also.. You won't do this mission alone...

Bryan: Hm? What do you mean...

Aisaka: Hey Elaine... Get over here!

**[a girl with blonde hair and yellow eyes came from behind the corner, it was the same girl who was doing the pushups earlier]**

Bryan: Hey isn't that...

Jackor: Mhm \*nods\* ... Makes sense now why she was training hardly...

The girl: \*Salutes\* Private first class Elaine Tusaka Georgepol!

Aisaka: She'll lead you to the campsite where your other comrades and mission briefing will be! And Jack you will be in charge of this mission. Now dismiss soldiers!

All except for Nash: Yes sir!

**[Elaine leads the way to a near military helicopter in the distance while being followed by the three teens]**

Nash: \*is reading his briefing\*

Bryan: So Elaine.. Will you just drive us to that campsite then leave?

Elaine: it depends, sir! I will join you in this battle but I only might need to engage in combat if necessary.

Bryan: oh please, don't call me sir. Just Bryan will do

Elaine: Sure thing, Bryan. \*Smiles\*

Jackor: ..... Bryan read your damn tactics and shut up!

Elaine: AY! Be nice to Bryan, Jackor sir!

Jack: AH KEH! COME ON NOW! YOU SERIOUS?!

Bryan: ... :D

**[They arrive to the copter then board in, Elaine takes a seat next to the pilot's as she signals for him to take off]**

Elaine: \*is talking with the pilot about their landmark\*

Jack: \*Reading his briefing\*... How on earth are we supposed to do these objectives.. and alone?!

Nash: Why in hell did they make you the leader...

Elaine: \*Looks to Jack\* it's simple, your agility is high so you'll be the runner and our bait to distract the enemy! As Nash's aim is accurate so he will cover you, and Bryan is familiar with electronics so he will cut down their communications while the enemy is distracted. Then I will call for artillery shelling after everything is done and as we leave.

**[To say, Jack's task was to distract enemy fire as Nash covers him while Bryan cuts down the communications of the foes then Elaine calls for artillery strike as they leave...]**

Jack: You said there will be other comrades...?

Elaine: They will be there as reinforcements or as a plan B if something gone wrong...

Nash: ... Also this mission is pretty much ours only!

Bryan: Reasonable enough. So when will we arrive?

Elaine: Dozen more of minutes and we will be there. Ya just lay back and relax.

Jack: \*Takes a deep breath then looks at the mountains\*..Guess I should start writing my will...

Nash: You didn't even finish high school!

Bryan: none of us did.

Elaine: \*holding laugh\* you guys are funny to watch.

Nash: Whatever...

Bryan: Oh Elaine btw, you're 16 yo too?

Elaine: ...too?

Bryan: We all are 16 yo... what about you?

Jack: Bryan.. Shut the hell up please.

Bryan: I'm trying to spend some time in conversing as we wait for our arrival...

Elaine: its okay I don't really mind, and yeah I'm 16 years old too.

Nash: Perfect, they're sending kids to battle...

Jack: You do realize you just called yourself a kid?

Bryan: We're teenagers!

Elaine: \*Giggles then looks at the windows in front of her and lays back\* Don't worry, this is your first mission together, so it won't be hard or anything! You just don't overthink it...

Bryan: is this your first time participating in a battle with a squad?

Elaine: to be honest, yeah. I have always been an OSS agent... this is my first time to do things loudly.

Nash: Why am I feeling bad about this mission..!

Bryan: Enough complaining, trash!

Nash: I can bust your nuts anytime I feel like it, ya know that?

Bryan: Oh please! You'll eventually just write a report about me!

Nash: \*Holds Bryan's collar\* we shall figure it out when we dock!

Elaine: \*looking at them\* are they always like this?

Jack: You'll get used to it...

The pilot: 340 yards to landmark!

Bryan: \*Peaks\*

**[Bryan peaks to see numerous other soldiers as the campsite was huge and filled with many tents]**

Bryan: Umm... What's plan B?

Elaine: Oh wait and you'll see! \*Giggles\*

Jack: \*Peaks also\* ...Damn Nash, I'm feeling bad too

Bryan: ... Same here ...

Elaine: Cheer up, guys! Ambitious is key, and skill!

Nash: we literally got no skill at all-

Bryan: Talk about yourself!

Nash: ... I'm gonna kill that kid!

Bryan: I wanna see you trying-

Jack: CALM YOUR TITS! LADIES! ... Fucking hell! ..... Elaine, will we be silent and secretive?

Elaine: Nope... \*Takes out a gun and reloads it\* ... You will get used to the idea of being there on your own deep behind enemy lines... Just like me.

Jack: And if I couldn't get used to... this?

Elaine: Well, rest in peace. \*Giggles\*

Jack: .....

**[the copter begins docking, then Elaine gets off it]**

Elaine: I will go discuss something with the sarge and be right back... \*Leaves\*

Nash: I ain't waiting in this shithole with Bread.. \*gets off the copter\*

Bryan: And I won't wait here with Trash! \*Gets off too in the opposite direction\*

Jack: You two serious now?! We didn't even begin the mission... \*Sighs then gets off and follows Bryan\*

**[a teen soldier comes to them some whiles later]**

Soldier: Hey there..

Jack: \*Turns to him\* .. Oh hey!

Soldier: \*Handshakes him\* Private Daniel lockstone! You must be lieutenant Jack!

Jack: \*Handshakes him\* ... Its Jackor!

Daniel: Pardon me, sir... \*Turns to Bryan and handshakes him\* Hello corporal!

Bryan: Heya! \*handshakes back\* Bryan Rentaro.

Daniel: Welcome, sir! \*Looks at both of them\* Glad to have you here.. Anyway I will take you to the briefing room, mind following?

Jack: Briefing room...? Yeah, sure. Lead the way, Daniel!

Daniel: yes sir! \*Walks away\*

Jack and Bryan: \*Follows him\*

**[Arrives to a large tent held by big wooden logs, they see many metal chairs beside each other as Elaine sitting on one and other soldiers were inside that room with a man standing in front of a display screen]**

Daniel: \*Salutes\* Sergeant Bastite. Here they are... \*Leaves\*

Sergeant: \*Looks at them\* ... Anyway lads, dismiss now. Will resume your briefing later.

Other soldiers: \*Stands up and leaves the tent\*

Elaine: \*Turns to them\* ... Where's Nash?

Bryan: Fucking around...

Jack: \*Punches Bryan's shoulder while smiling\* He will be here soon.

Elaine: We can't start the briefing with his absence...

Nash: \*Gets inside\* ... Quiet already! \*Grabs a seat and sits down\*

Sergeant: \*Signals for Bryan and Jack to sit down\*

J & B: \*Sits down\*

Sergeant: So fellas ... \*Points at the white board behind him as a picture appears\* This is the campground that you'll ambush located in Singapore.. it's not heavily guarded or anything because they though its impossible to be spotted! The Vers Empire recently established this campsite some days ago! We have Intel informing us that they leak significant info to the Martian armies, and as an easy beginning this will be your first mission together! You can even pretend it's just training if you wish... you won't get much of a trouble with those chickens out there.

**[Pictures keeps swapping as he speak]**

Sergeant continues: Your tactics are already issued in your documented briefings. The pilot will drop you at a safe distance where you won't be spotted then he will leave; it will be up to you to decide when to start the attack. You'll have exactly 10 minutes to be able to disable their alarm system before they become able to call for backup. You four got one shared task; to disable their communication system therefore stopping them from leaking our information, take a military plane on your way. It got the necessary fuel that will get you to your destination... Dismissed!

Them: Yes sir! \*Stands up and leave\*

**[Nash and Bryan board in the plane, Jack and Elaine were behind them]**

Elaine: Um.. Lieutenant Jackor...

Jack: \*Turns to her\* Hm?

Elaine: Just wanted to say thank you for caring about me earlier...

Jack: Nah it was nothing, anyone else would've done at least the same. \*Boards in the plane\*

Elaine: I really appreciate your bravery. \*Sits next to the pilot\*

Bryan: Ettoo it was me who told him to help yo-...

Jack: \*Puts hand on Bryan's mouth\* ..... You can take off!

The pilot: Roger.

**[Then the plane started taking off as they flied to Singapore, there were 4 crates beside the seats.]**

**[Each one grabbed a crate that had the first letter of their name and opened it, containing their own unique loadout and gear as well as primary weapon]**

**[Nash had a machine gun and a pistol, Bryan had a wire cutter and a submachine gun, Jack had a submachine gun and a light gear to help him run faster and Elaine had a binocular and mobile radio as well as a submachine gun.]**

Nash: Nice, time to make some holes.

Bryan: \*Looking at the wire cutter\* ... That's cute, I guess.

Jack: \*Wears the light vest\* Yo Trash... If I got hit it will be all your fault!

Nash: You won't just get hit, Jackie!

Bryan: I will cover you if necessary, Sir! \*Salutes to Jack and giggles\*

Jack: ... Time to make new friends..

Elaine: \*is stabilizing the radio's frequency\* Some silence please? Go take a nap or something, its still a long road to Singapore!

Bryan: ... Justice never sleeps!

Nash: Fuckin shut up, Ya damn Bread...

Bryan: Hey Nash... Fuck you!

Nash: Fuck you too!

Jack: Damn both of you!!

The three: \*rants at each other\*

Elaine: \*Holds a pistol and shoots the floor\* SILENCE!!

Bryan: Woah! Easy there, Elaine...

Elaine: To sleep! Now! That's an order!

Jack: You can't give an order to someone with a higher rank...

Elaine: TO SLEEP I SAID!

Jack: Ah Jesus... Fine!

Elaine: Will wake you up when we are almost there.

**[The three sit on the chairs and lays back as they try to take a nap]**
